

Fast Track to Investment Program

Fast track your business to successful investment

Trade and Investment Queensland (TIQ) in partnership with Deloitte Australia introduces the Fast Track to Investment Program, designed to deliver tailored and high impact services to Queensland businesses to fast track their way to successful investment.

Program overview

What you'll receive:

- **Investment mentoring:** provision of tailored 1:1 mentoring, training and guidance led by specialist facilitators supporting entrepreneurs and businesses on their journey to becoming investment ready.
- **Development of Information Memorandum:** supporting the business in the preparation of an Information Memorandum that clearly captures the essence of the enterprise and associated investment opportunity.
- **Pitch readiness training:** facilitation of pitch readiness training to provide insight and guidance on how to best pitch and investment opportunity to target investors.
- **Assistance with investment matching:** matching with appropriately qualified prospective investors.

This program is a 12-month comprehensive and focused mentoring and training program designed to take your business to the next level and help you to fast track your investment attraction journey.

Successful applicants will be provided with a Deloitte Program Partner and a TIQ journey mentor providing a guided learning experience with access to mentoring, connections, resources, upskilling and support – all best practices to attract investment.
